Personal summary

I was born in Naples in 1986, on a cold winter morning. I'm a computer scientist specialized in desktop applications for Windows and Linux. Since childhood I have always had a huge passion for science, physics and math, I'm also fond of European literature of the 19th and 20th centuries. I practice volleyball, swimming, bodybuilding, running and cycling at amateur level. I'm very competitive and I never give up. **My dream is to become a video game developer.**

Career history

Pianetasoft s.r.l. (software development and IT consultancy) - Naples, Italy

Software architect - Naples, Italy - 09/2015 → 09/2018

Races Finanziaria S.p.A. - Naples, Italy

Ciro Fiorillo, Salvatore Napolitano

- I developed customizations and plug-in for **Microsoft Dynamics CRM**, in **C#**.
- With **C# Windows Forms** I created a program to migrate two databases one from **SQL Server** and one from **PostgreSQL** to the database of **Microsoft Dynamics CRM**.

Clue Norge ASA - Oslo, Norway

Ciro Fiorillo, Giovanni Giusto, Luigi Vitiello

- I developed with **ManyDesigns Portofino** (**Java**, **JSP**, **Hibernate** and **MySQL**) a web portal for creating, editing and exporting dictionaries to **SQLite**.
- With **NodeJS** (**TypeScript**) I developed a back-end server to consult **SQLite** dictionaries.
- With **Google Polymer** (**HTML**, **CSS**, **JavaScript**) I developed a web application to consult dictionaries through asynchronous HTTP request.
- I create a **Drupal** module, that integrate **Commerce Card on file** with **DIBS Payment**.

Education

Master's degree - Computer science: videogame design

University of Milan - Milan, Italy - CURRENTLY

Exams:

	english test (B2)
--	-------------------

Bachelor's degree - Computer science: scientific computing

University of Naples Federico II - Naples, Italy - 2018

Grades: 86/110

- Internship and thesis: GAM# - A software for managing the center "La tenda ONLUS". A multi-purpose day center for the assistance of children in difficult situations. It was developed with C# Windows Forms and Firebird.
- Thesis: www.maionemiky.it/public/GAM.pdf

Exams:

continuo mathematics	computer programming + lab.
discrete mathematics	programming languages
geometry	advanced programming languages
statistics and data analysis	algorithms and data structures + lab.
physics	databases + lab.
atomic physics	operating systems + lab.
computer architecture + lab.	advanced operating systems
formal languages and automata	computer networks
numerical analysis	software engineering
scientific calculus	english test (B1)

High school diploma - Scientific lyceum: mathematics and computer science

Liceo scientifico statale Carlo Urbani - San Giorgio a Cremano, Italy - 2006

Grades: 60/100

- Final exam: Social alienation
