Personal summary

Since childhood I have always had a huge passion for science, physics and math, I’m also fond of European literature of the 19th and 20th centuries and I practice competitive swimming (supermaster circuit in Italy).

Professional goals

I would like to be part of a team of experienced computer scientists and work on challenging and critical projects that leverage my fields of study.

Career history

| Role               | Employer                          | Start   | End       |
|--------------------|-----------------------------------|---------|-----------|
| IT consultant      | Formez PA                         | 05/2024 | currently |
| Software architect | Soluzioni Informatiche            | 02/2024 | 03/2024   |
| Software architect | Allyfe S.r.l.                     | 12/2021 | 01/2024   |
| IT consultant      | Technode S.p.A.                   | 07/2021 | 11/2021   |
| Software architect | Pianetasoft S.r.l.                | 09/2015 | 09/2018   |
| Software architect | Informatici Senza Frontiere ONLUS | 09/2015 | 06/2016   |
| Software analyst   | Races Finanziaria S.p.A.          | 11/2013 | 12/2014   |
| Software architect | Clue Norge ASA                    | 09/2010 | 09/2013   |
